

Association of Indiana Counties Request for Conference Workshop Proposals

The Association of Indiana Counties (AIC) offers 15 workshops during our Annual Conference. The 2013 Annual Conference will take place September 23–26 at the Belterra Resort in Switzerland County. The workshops will be offered during three different time slots on Wednesday, September 25. Workshops typically address issues that at least two of our affiliate groups (clerks, council, assessors, etc.) would be interested in. Workshops are usually presented in a panel format; with 3–4 different experts making short presentations and then the entire group engaging in a topical discussion that is led by a moderator.

We are currently accepting workshop proposals from Associate Members. Please fill out the form below and return via email to, attention Alicia Ramer at aramer@indianacounties.org . Proposals are due by May 10.

Workshops and speakers will be finalized in August. Topics are chosen based on a variety of factors including, but not limited to: variety of subject matter, topical and useful information and recent information presented by AIC. You or a member of your organization will be contacted if the AIC would like you to take part in a workshop. All proposals will be kept on file for possible future use, including articles in the Indiana News 92 Magazine or additional education courses. Your proposal may be combined with other proposals.

If you have any questions about the Workshop Proposal, please contact David Bottorff at 317–684–3710.
