WHAT WE DO

- Collaborate with INDOT, ADA Indiana, and other affiliated groups to better understand the best practices of the ADA & Title VI, and how they can be implemented in your community
- Develop a network of coordinators to communicate issues, concerns, strategies, and solutions for community transition to ADA & Title VI compliance
- Engage community leaders
- Provide interpretation and clarification through networking opportunities
- Share training opportunities, grant and funding resources, and conference information

OUR RESPONSIBILITIES AND DUTIES

This association acts as a conduit between all current and future entities that address the ADA, Title VI, and related issues.

Due to our relationship with IACT (Indiana Association of Cities and Towns) and INDOT (Indiana Department of Transportation), we are able to maintain a database to facilitate communication with and for Local Public Agencies (government entities).

We value and acknowledge that our relationship with IACT and AIC (Association of Indiana Counties) are an integral part of our outreach and mission and we will maintain affiliate status with both.

Membership dues afford us the opportunity to provide training opportunities.

MEMBERSHIP

Membership will be open to any ADA &/or Title VI Coordinator within the State of Indiana, and/or **any person that wishes to participate in the association's mission.**

FINANCES

Financial management services are provided through the association's affiliation with IACT, which include:

- ❖ Producing and mailing annual dues notices
- ❖ Processing and paying invoices
- ❖ Creating and maintaining financial records and producing reports

MEETINGS

The Association meets yearly at the IACT Annual Conference and at the AIC Annual Conference.

We also hold email meetings when approved by the board, and afford proxy vote.

IACT has also proposed virtual meetings for us in the future.

OUR ASSOCIATION OFFERS TRAINING FOR AMERICANS WITH DISABILITIES ACT (ADA) MATTERS, TRANSITION PLANS, TITLE VI, SECTION 504 AND MUCH MORE. BASICALLY, IF YOU ARE INVOLVED IN AN ASPECT OF LOCAL GOVERNMENT ADA & TITLE VI MATTERS, YOU ARE ELIGIBLE TO BECOME AN IN ADA & TITLE VI COORDINATORS ASSOCIATION MEMBER.
