FirstNet is the nationwide public safety broadband network, services and solutions dedicated to First Responders and those who support them.

It is more than a network, including advanced services, applications and purpose-built devices.

Over 100 years in emergency response solutions.

**March 2010**

FCC follows the 911 Commission's recommendation to create a nationwide public safety network.

**February 2012**

The First Responder Network Authority is authorized to develop and oversee the dedicated nationwide network for first responders.

**March 2017**

AT&T is awarded the contract to build and maintain FirstNet

**December 2017**

All U.S. states & territories opt in.

**Today**

With you, we are developing the tools that advance public safety.
